

Buffalo Bayou Rowing Center

Who we are

Buffalo Bayou Rowing Center is the 501(c)(3) non-profit providing Houston's downtown youth with the opportunity to learn competitive Olympic-style rowing. Our community-focused boathouse plan includes boat storage, training facilities for our athletes, meeting space, and space for an event center.

Why rowing

Harmony, balance, and rhythm. They're the three things that stay with you your whole life. Without them civilization is out of whack. And that's why an oarsman, when he goes out in life, he can fight it, he can handle life. That's what he gets from rowing.

—George Yeoman Pocock
